

# DIAGNOSTIC IMAGING

Leading the way in expert radiologic  
diagnosis and intervention

Radiological Associates of Long Island, PC (RALI) specializes in the diagnosis and treatment of disease and injury using specialized medical imaging such as x-rays, computed tomography (CT), magnetic resonance imaging (MRI), positron emission tomography (PET), fusion imaging, ultrasound and bone density. RALI is an FDA and ACR Accredited Mammography Center.

The board-certified radiologists comprising RALI's robust group of subspecialists are expert diagnosticians you can depend on for timely top-quality reads and diagnoses.

**RALI is an affiliate of South Nassau Communities Hospital.**

**Matthew D. Rifkin  
MD, FACR**

Ultrasound and  
Abdominal Imaging

Dr. Rifkin, chair of the department of radiology, is board-certified in diagnostic radiology. He earned a medical degree from Albert Einstein College of Medicine, completed a residency in diagnostic radiology at Montefiore Hospital and Medical Center and was fellowship-trained in ultrasound and computed body tomography at The Johns Hopkins University School of Medicine. He is a Fellow of the American College of Radiology, the American Institute of Ultrasound in Medicine, the Society of Radiologists in Ultrasound and the Society of Uroradiology. He is also a professor of radiology at SUNY Stony Brook and New York College of Osteopathic Medicine. Dr. Rifkin most recently served as the chair of radiology at Good Samaritan Hospital in West Islip, and director of radiology at St. Catherine of Siena Medical Center in Smithtown, St. Charles Hospital and Mather Memorial Hospital in Port Jefferson.

**Elliott Eisenberger, MD**  
Neuroradiology

Dr. Eisenberger is chief of the section of neuroradiology and is board-certified in diagnostic radiology with a certificate of added qualification in neuroradiology. He was fellowship-trained in neuroradiology at Beth Israel Medical Center in New York, where he also served as chief resident in diagnostic radiology. He completed an internship in medicine at Maimonides Medical Center in Brooklyn. Dr. Eisenberger earned a medical degree from New York Medical College in Valhalla, N.Y. He was most recently on the staff at Good Samaritan Hospital, St. Catherine Medical Center, St. Charles Hospital and Mather Memorial Hospital.

**Stacey A. Funt, MD**  
Oncologic and  
Abdominal Imaging

Dr. Funt is board-certified in diagnostic radiology. She earned a medical degree from New York University School of Medicine and completed a body imaging fellowship at New York University Medical Center, a diagnostic radiology residency at The Mount Sinai Medical Center, and a transitional internship at St. Vincent's Hospital in New York City. She most recently served on the staff of Good Samaritan Hospital, St. Catherine of Siena Medical Center, Mather Memorial Hospital and St. Charles Hospital.

**Diane M. Garrigan, DO**  
Diagnostic Breast Radiology

Dr. Garrigan is a board-certified diagnostic radiologist specializing in breast imaging and retains a license in both PA and NY. She earned a medical degree from the Philadelphia College of Osteopathic Medicine and completed her residency in Diagnostic Radiology at Lehigh Valley Hospital in Allentown and a Breast Imaging/ Intervention residency at Beth Israel Medical Center, Philips Ambulatory Care in New York. Dr. Garrigan also graduated cum laude with a BA in biochemistry from Mount Holyoke College in MA.

**Stephen M.  
Henesch, DO**  
Pediatric Radiology

Dr. Henesch is chief of the section of pediatric radiology and is board-certified in diagnostic radiology with a certificate of added qualification (CAQ/board certification) in pediatric radiology. He earned a medical degree from New York College of Osteopathic Medicine (NYCOM). He completed a pediatric radiology fellowship at The Children's Hospital of Philadelphia, University of Pennsylvania School of Medicine following a residency in diagnostic radiology at the University of Connecticut School

of Medicine, where he also served as chief resident. Dr. Henesch has authored several chapters in Caffey's Pediatric Diagnostic Imaging—the gold standard of pediatric radiology reference books. He is a member of the Society of Pediatric Radiology and has received the Patient's Choice Award and Compassionate Doctor recognition from vitals.com. He was most recently on staff at Good Samaritan Hospital, St. Catherine of Siena Medical Center, St. Charles Hospital and Mather Memorial Hospital, where he was director of pediatric radiology for all sites.

**Wan C. Kim, MD**  
Staff Radiologist

Dr. Kim is board-certified in diagnostic radiology. He earned a medical degree from Catholic Medical College, Seoul, Korea and completed residency training at Catholic Medical College and St. Luke's-Roosevelt Hospital in New York City. He recently served as diagnostic radiologist for New York Radiology Alliance/Imaging Advantage Corp., which provides interpretive radiologic services for five Long Island hospitals. Prior to joining South Nassau Communities Hospital, Dr. Kim worked as a staff radiologist at St. John's Episcopal Hospital in Far Rockaway, NY. Since 2002 Dr. Kim has been a staff radiologist at four Catholic Health Services of Long Island Hospitals, as well as Brookhaven Memorial and Mather Memorial Hospitals.

**Stephen W. Lastig, MD**  
General Radiology  
and Abdominal Imaging

Dr. Lastig is board-certified in diagnostic radiology. He served as the chair of the Department of Radiology at South Nassau Hospital for 15 years. He earned undergraduate and medical degrees at Adelphi University and SUNY Downstate Medical Center. He completed a residency in diagnostic radiology at Nassau County Medical Center and a fellowship in body imaging at University Hospital, Stony Brook. A former president of the Long Island Radiological Society, Dr. Lastig has been on staff at South Nassau Communities Hospital for most of the time since 1996.

**David Pfeffer, MD**  
Staff Radiologist

Dr. Pfeffer most recently served as an attending radiologist at Good Samaritan Hospital and affiliates, where he provided full time

multimodality coverage, and has functioned as the director of PET Imaging. His areas of expertise include body imaging (with MR), ultrasound and nuclear medicine. He earned a medical degree from New York Medical College in Valhalla, completed an internship in internal medicine at University Hospital/UMDNJ and a residency in diagnostic radiology at North Shore University Hospital in Manhasset. He was fellowship-trained in body imaging at Mount Sinai Medical Center. He is board-certified in diagnostic radiology.

**Vinh Q. Phan, MD**  
Staff Radiologist

Dr. Phan is board-certified by both the American Board of Radiology and the American Board of Emergency Medicine. He earned a medical degree

from the University of California, San Diego School of Medicine. He completed residencies in emergency medicine at Mount Sinai Health System and in radiology at North Shore/LIJ Staten Island University Hospital and completed a musculoskeletal fellowship at the Hospital for Special Surgery, Weill Cornell Medical College.

**Rachel L. Piechowiak, MS, DO**  
Interventional Radiology

Dr. Piechowiak is board-certified in diagnostic radiology with added qualification in interventional radiology.

She earned a medical degree from the New York College of Osteopathic Medicine and a master's degree from SUNY Buffalo in association with the Roswell Park Cancer Institute. She completed a fellowship in vascular and interventional radiology at Mount Sinai Medical Center, a diagnostic radiology residency at Morristown Medical Center/Overlook Hospital in Morristown, N.J., and a rotating internship at Long Beach Medical Center. She most recently served as attending interventional and diagnostic radiologist for New York Radiology Alliance/Virtual Radiologic Corp., which provides interventional and interpretive radiologic services for six Long Island hospitals.

**Nadia Rao, DO**  
Diagnostic Breast Radiology

Dr. Rao is a board-certified, fellowship-trained radiologist, who earned a medical degree at New

York College of Osteopathic Medicine. She completed a residency in diagnostic radiology at St. Barnabas Hospital, Bronx, NY and a fellowship in breast and body imaging at North Shore University Hospital, Manhasset. Prior to joining South Nassau, she was an attending physician in the Department of Radiology at Good Samaritan Women's Imaging Center in West Islip, NY. Dr. Rao is on staff at South Nassau's Center for Women's Imaging in Oceanside.

**Mindy Scheer, DO**  
Diagnostic Breast Radiology

Dr. Scheer is a board-certified diagnostic radiologist specializing in breast imaging. She earned a medical degree

from the New York College of Osteopathic Medicine in Old Westbury and completed her residency at Winthrop-University Hospital in Mineola. Dr. Scheer completed her breast imaging fellowship at the prestigious Carol Baldwin Breast Cancer Center at Stony Brook University, where she is also a clinical assistant professor of Radiology. Dr. Scheer is on staff at South Nassau's Center for Women's Imaging in Oceanside, NY.

**Douglas W. Silfen, MD**  
Nuclear Medicine, Interventional Radiology and Abdominal Imaging

Dr. Silfen is chief of the section of nuclear medicine and is board-certified by both the

American Board of Nuclear Medicine and the American Board of Radiology. He earned a medical degree from the Mount Sinai School of Medicine, was fellowship-trained in angio/interventional radiology at Temple University Hospital in Philadelphia, Penn., and in body imaging at North Shore University Hospital. He completed a radiology residency at New York Medical College, Valhalla, and a nuclear medicine fellowship at the Hospital of the University of Pennsylvania. Previously, he served as chief of nuclear medicine at Good Samaritan, St. Catherine Medical Center and St. Charles Hospital, where he led the nuclear medicine program.

**Ari M. Steiner, MD**  
Abdominal Imaging and PET-CT

Dr. Steiner is chief of the section of abdominal imaging and is board-certified in radiology. He earned a medical

degree from Albert Einstein College of Medicine, completed a residency in diagnostic radiology at Montefiore Medical Center and was fellowship-trained in body imaging at North Shore University Hospital. Dr. Steiner has extensive experience in pelvic floor imaging and is well-known to the South Nassau community, having worked at the hospital for several years. He holds an academic appointment of Clinical Professor at the Hofstra North Shore-LIJ School of Medicine.

**Sydney S. Yoon, MD**  
Interventional Radiology and Neuroradiology

Chief of the section of interventional radiology, Dr. Yoon has worked at South Nassau for a number of years. He is

board-certified in diagnostic radiology and internal medicine and also has certificates of added qualification in interventional radiology and neuroradiology. He has extensive experience in fibroid embolization and other vascular and interventional procedures. After earning a medical degree from the University of Chicago, he completed residencies in radiology at Ronald Reagan UCLA Medical Center and medicine at Johns Hopkins Hospital, a fellowship in interventional radiology, also at the Ronald Reagan UCLA Medical Center and a fellowship in neuroradiology at Columbia University College of Physicians and Surgeons. Dr. Yoon is also a senior member in the American Society of Neuroradiology, is a former referee for the American Journal of Neuroradiology and previously served as chief of neuroradiology at St. Francis Hospital in Roslyn.
