

This facility has partnered with CIOX Health, the nation's largest provider of release of medical information services, to process and fulfill your request for a copy of your medical record.

A CIOX Health client services representative digitally captures your protected health information from the facility's medical record through our confidential, secure technology platform. Your medical record information is then digitally transmitted to our Release of Information Processing Center, where it is packaged and mailed or electronically delivered to you, via our eDelivery functionality, all in a HIPAA-compliant format.

Due to the strict procedural and highly regulated steps involved in this process, known as the release of information process, there are costs associated and, therefore, a fee is charged for this service. The fee charged for all requests is detailed below:
