Newsday takes you Inside the Red Zone at Mount Sinai South Nassau

Recently, Mount Sinai South Nassau opened our doors to a reporting team from Newsday so they could document firsthand this crisis from the perspective of the nurses, physicians and patients who are living it. Please take a moment to read their exclusive and compelling report. It’s a powerful story that shows the determination of Mount Sinai South Nassau’s frontline staff. The story truly illustrates the power, bravery and determination of the team at Mount Sinai South Nassau and gives an inside look at how it is working with grace and compassion at the most challenging of times.
