

We're Here to Help

Mount Sinai South Nassau Family Medicine is a unique medical facility providing comprehensive, quality care to a diverse population of all ages on the south shore of Long Island.

As an ACGME-accredited teaching program of the Icahn School of Medicine at Mount Sinai, Family Medicine is staffed by board certified family physicians and resident physicians as well as nurses, coordinators and other staff members working together as a team to provide services to all men and women from conception and birth through the senior years.

Directions:

From New York City: Take the Queens-Midtown Tunnel at 34th Street to the Long Island Expressway (495), to the Cross Island Parkway southbound to the Southern State Parkway eastbound; take the Southern State to Exit 17 South, (Hempstead Avenue), get to the left and continue south on Ocean Avenue down to Merrick Road; make a left on Merrick Road; continue past the main entrance (Healthy Way) of the hospital which is on the right side, Family Medicine is on the right hand side immediately following the hospital.

From All Points East: Take the Southern State Parkway westbound to Exit 20S (Grand Avenue, Baldwin). Take Grand Avenue south to Merrick Road. Make a right on Merrick Road, go approximately one mile. Family Medicine is on the left hand side, past Washington Avenue and before the hospital.

Location

Mount Sinai South Nassau Family Medicine is a state-of-the-art facility. The offices are designed with the patient's comfort in mind while providing the highest level of health care. The staff, many of whom are bilingual, is both friendly and welcoming.

Insurances Accepted

Mount Sinai South Nassau Family Medicine is an approved provider for most commercial insurance plans and Medicare, Medicaid, and some HMO's. For a full listing of the insurances we accept, visit our website at southnassau.org/insurance. For individuals without insurance, our hospital assistance representatives can assist you in applying for free care or care at reduced rates through Mount Sinai South Nassau's Charity Care program.

Accessibility

Our office hours are Monday through Friday: 9 am – 5 pm; Tuesday and Thursday 9 am-8 pm, and Saturday from 8 am-12 pm. In addition, we have expanded 24 hour accessibility: if you are an established patient and need to contact us after hours, call (516) 255-8400 and ask to speak with a Family Medicine provider. For emergencies, please go to the nearest emergency room.

Your Health Care Team

Your primary care provider (PCP) leads our NCQA-certified medical home, which includes you and your family, or support system, all of whom are part of your care. The medical home provides accessibility and continuity with the same assistance with self-care management. Having an entire team providing health care results in better outcomes for you.
